4. MULTIMEDIA & DIGITAL ASSET PROCESSING GUIDELINES

Multi-Media Verification Protocol: Official PDF circulars frequently embed raster images of field inspections, audio instruction clips for farmers, and video demonstrations of micro-irrigation setups. Under state data standards:
- **Images:** Must be cross-referenced with geotagged farm photos uploaded via the Uzhavar App.
- **Audio/Video:** Official audio advisories broadcast via All India Radio (Kisanvani) and video modules hosted on `tnhorticulture.tn.gov.in` are utilized by Extension Officers for field training.

5. APPLICATION PROCEDURE & OFFICIAL VERIFICATION

1. **Online Registration:** Access `https://www.tnhorticulture.tn.gov.in/tnhortnet/scheme-registration` or `tnagrisnet.tn.gov.in`.
2. **Mandatory Data Entry:** Enter Aadhaar ID Number, Farmer Name, Mobile Number, and exact required input quantity.
3. **Document Upload:** Upload scanned copies of Patta, Chitta, Bank Passbook, and Caste Certificate (for special category subsidies).
4. **Field Inspection:** Assistant Agricultural / Horticultural Officer inspects land within 7 days of online submission.
